RVC BODY SERVICE NEEDS

We often hear about needs in the body that could use some help. So, we thought we might periodically share some of those needs and areas to serve that are current. Listed below are areas where you could serve someone.

Respite Provider

We have a number of families that are foster parents and many are adoptive parents, as well. From time to time, they need a break with one of their foster

are taking a frontline approach to making sure every child knows they are wanted. If you'd like to help, email the office with "Serve/respite" on the subject line (or call 920-231-9690).

Helping Hands

Helping Hands is a ministry of people who have signed up to give a helping hand. They might do yardwork for an older couple. They might repair something for a single mom. They might mow a lawn for someone who is sick. If you'd like to be a part of that, email the office with "Serve/helping hands" on the subject line.

Prison Ministry

We have a few people interested in prison ministry. We are waiting for the prisons to open up and then a few people are going to explore what is available. Interested? Email us with "Serve/prison" on the subject line.

Vehicle Needed

We have missionaries returning home this summer and they will need transportation from June 21 to August 14. Do you have a reliable vehicle that you can spare? Let us know using "Serve /auto" on your email subject line.

RVC | MEN

RVC | Men will meet on Saturday, June 12, for the last time until fall.

As you already know, we've retooled the Saturday men's group with a focus on disciple-making. Jesus was very clear in calling all of us to make disciples, yet it remains an elusive activity to the modern church. Recently, we shared the "Next Steps" of making disciples. On **Saturday, June 12**, we invite all RVC men to join us one last time for the summer as we seek to follow Christ's call to entrust the faith to faithful men who will entrust the faith to faithful men who will... You get the picture! Breakfast is at **8:00 a.m.**, and we finish by 10:00 a.m.

RVC | WOMEN

It never ceases to amaze me that, without much effort, our bodies are doing a thousand involuntary things at any given moment. With a little more effort, we are thinking and responding to so many things in and around us; our schedules, relationships, wants, and needs. It is incredible the way our thoughts, personality, feelings, and soul fit together in a body - and even more astounding that this is true for every single person. God has created each and every one of us with this detailed intricacy. It shows God's incredible and limitless creativity, organization, and detail. The Psalmist said to God, "For you formed my inward parts; you knitted me together in my mother's womb. I praise you, for I am fearfully and wonderfully made. Wonderful are your works; my soul knows it very well. My frame was not hidden from you, when I was being made in secret, intricately woven in the depths of the earth. Your eyes saw my unformed substance; in your book were written, every one of them, the days that were formed for me, when as yet there was none of them" (Psalm 139:13-16)

God made you and knows you better than you could know yourself. The same for everyone around you! Take some time today to encourage others to praise God with you for who He is and who He has made us.

-Sara McCulloch
