A NOTE FROM PASTOR DAVE

Dear RiverValley Church,

I just want to say thank you for allowing the ministry staff to have sabbatical breaks to recharge, refresh and re-tool. In the past seven years I have come to really love this church. It is a place filled with people who love Jesus and are

My sabbatical will be in two parts. Part one will be meeting with churches that have planted to find out what worked well, what didn't, etc. We will do some relaxing including visiting our son in San Francisco. The second part takes place in the winter--toward the end of February and the beginning of March. We will head fto North Africa to visit mission workers followed by a trip to Athens, Corinth, Phillipi, and other places where Paul established the early churches.

So, as of June 25th, I will be unavailable until August 3rd. The ministry staff and elders will be available to help while I am away so you are in good hands. I am honestly already starting to miss being with you all. Fortunately I can catch you all online. Thanks again for this break.

Always in His Grip,

Pastor Dave

CHURCH PICNIC -- SAVE THE DATE

Mark your calendars for the RVC Church Picnic on **July 11th** at Menominee Park - Shelter #1. Our worship service will be at **10:00 a.m.** followed by food, baptisms, and games.

We are asking everybody to bring a side dish to pass to ensure there will be plenty of food. You are welcome to also bring a dessert if you'd like. Church will provide meat and drinks.

Please plan on bringing your own chairs for you and your family. We will not be providing chairs as we have in the past.

A huge thank you to those who have signed up to volunteer with grilling, serving, setting up and games. If you still feel led to volunteer, feel free to email info@rvcoshkosh.com to sign up or with any questions.

It should be a relaxing time to be together as a church family.

TEMPORARY LIVESTREAM PAUSE

We will be making some necessary updates to our livestream in the near future. In order to ensure a smooth process with the updates, we've decided to pause the livestream for two Sundays. This will allow our tech team plenty of time to make the updates and get us back up and running smoothly. We're so grateful for the tech team and the way they serve here at RVC. The temporary
